7. Regular Business
  - A. 20 min - share out on CAP edits
    - i. [latest draft of CAP 2.0](#) Tobin and Jen added public feedback into their sections of the report.
    - ii. [Divided goals into different types](#) (we should all continue with this task)
      1. Mary Ann’s [notes on Waste Strategy](#) next waste audit should be done in the winter. We should meet with Bethany as soon as possible to get her feedback and input. Compost bins...listening session suggested the town should provide them. Tobin: We should also look at our contract with MRC and how our hands are tied in some instances. We should also amplify initiatives that are already happening like Food Waste Awareness Week. [umaine.edu/foodrescuemaine](http://umaine.edu/foodrescuemaine) Another issue was pay as you throw. In the past people were opposed to it but the feeling might be different now. Especially if we highlighted what other towns are doing. Also Swap Shop etc...
  - B. 30 min - review priority projects & next steps
    - i. “Updates & Next Steps” Decision Items
      1. Municipal Building Reno RFP & EV Charger installations (Ruth)
