Design Review Board
Required Application Materials
Section 125-114**

Detailed Project Description:

CLOSURE: [] SEASONAL [] OPEN YEAR ROUND

A complete application to the Design Review Board shall contain the following information:

Submittals Required	Provided
Color photographs or photo simulations of the existing building or site showing all facades to be altered as seen from a public street.	
Color photographs or photo simulations of the buildings adjacent to the subject property.	
Detailed building plans drawn to scale showing the exterior of any new building or addition including elevation drawings of all facades that can be seen from a public street together with plans for all portions of the exterior of any existing building seen from a public street that are proposed to be modified. The drawings shall provide information on the various building details covered in the standards, such as roofing materials, siding, windows, doorways, detailing and trim, etc.	
Details of all exterior materials, including type, color, and composition. Paint chips or product samples shall be provided for each proposed use.	
Details on the design, color, and location of lighting fixtures together with information on proposed lighting levels shall be provided for new exterior lighting or changes in exterior lighting seen from a public street.	
A pictorial exhibit showing the neighboring buildings within the block face identifying the existing patterns and relationships, including setbacks from the street, building heights, building scales, front façade proportions, window proportions, building spacing, and materials.	
NOTE: Applications are due seven days in advance of the next regularly scheduled Design Review Board meeting. Applicants are strongly encouraged to hold a pre-application meeting with Planning or Code Enforcement staff.
