and having personally examined the route proposed, are of opinion that there is occasion for a town way as proposed, we therefore lay out said town way as follows.—

Beginning on the South west side of Eden street in Bar Harbor one rod westerly from a large post in the westerly line of land owned by heirs of Amos Richardson and running South fifty one degrees forty five minutes (51° 45') west, but parallel with and one rod distant from said heirs line twenty rods. Thence South seventy seven degrees fifteen minutes (77° 15') west through James Eddys land five rods and four links. (5—4) north eighty six degrees (86°) west four rods (4) thence north sixty eight degrees (68°) ten minutes (10') west six rods (6) to C. T. Hows line — Thence crossing said Hows land on same course one rod and twenty three links (1—23) to a stake:

thence north eighty eight degrees & ten minutes (88° 10') west five rods (5) and fifteen links (6—15). Thence South fifty seven degrees fifty five minutes west (57° 55') four rods to line between said heirs and C. T. said road to be two rods wide.— the above described line to be the center line thereof.

The land taken for the above described way is that of James Eddy, heirs of Amos Richardson Charles T. How, and other persons to us unknown.

After careful considerations it seems to us that no damages are sustained by the laying out and construction of said way either by said land owners, or any other person, and we therefore award no damages.
