Collector's Return To Town Clerk of Tax Sales

- State of Maine -

I H. H. Sherman, Clerk of the Town of Eden in the County of Hancock and State of Maine:

Pursuant to law I caused the taxes assessed on the real estate of non-resident owners described herein situated in the Town of Eden, for the year 1908, to be advertised according to law by advertising in the Bar Harbor Record a newspaper published in said County, three weeks successively the first publication being on the ninth day of December 1908, and at least six weeks before the day of sale. and caused the taxes assessed on the real estate of resident owners, described herein, situated in the Town of Eden, for the year 1908, to be advertised according to law by posting notices as required by law at the following places at the Post Office at Bar Harbor, the Post Office at Hulls Cove, the Post Office at Salisbury Cove, the Post Office at Eden, the Post Office at West Eden and the Post Office at Seal Harbor being public and conspicuous places in said town, at least six weeks before the day of sale to wit, on the twelfth day of December 1908. I also at least ten days before the day of sale, to wit, on the fourteenth day of January 1909, gave to each resident owner of said lands or the occupant thereof, if any in hand, or left at his last and usual place of abode, and sent by mail to the last and usual address of each non-resident owner of said lands whose address was known to me, written notice of the time and place of said sale, and the amounts of taxes due, in the manner provided by law.

And afterward on the first Monday of February 1909, at the Casino in Bar Harbor in said Eden, at nine o'clock in the forenoon, being the time and place of sale I proceed to sell according to the tenor of the advertisement the estates upon which the taxes so assessed remained unpaid to the persons and for the sums set forth in the schedules forming a part of this return, the same having been struck off to the said persons, they being the highest bidders therefor, and it being necessary to sell

amount of real estate so taxed and advertised as aforesaid and no person to pay said taxes and interest and charges for a smaller fractional part of said land, at a public auction legally notified as hereinbefore set forth and held at the Casino in Bar Harbor in said Eden (being the place where the last preceding Annual Town Meeting was held) on the first Monday in February A.D. 1909, at nine o'clock A.M. when and where I, the said Collector, offered said property for sale and offered to sell such fractional parts thereof as were necessary to pay such taxes and charges and could not obtain bids for any smaller fractional parts thereof than those set forth in the said schedules. and I have made and executed deeds of the several parcels sold to the several persons entitled thereto and placed them on file in the Town Treasurer's Office, to be disposed of as the law requires. and lodged my certificate of said tax sales with the Town Treasurer within thirty days after the day of sale.

Collectors Return To Town Clerk of Tax Sales.
— State of Maine —

To W. H. Sherman, Clerk of the Town of Eden, to the County of Hancock and State of Maine:

Pursuant to law I caused the taxes assessed on the real estate of non-resident owners described herein situated in the town of Eden, for the year 1909, to be advertised according to law by advertising in the Bar Harbor Record a newspaper published in said county, three weeks successivey, the first publication being on the twenty second day of December 1909, and at least six weeks before the day of Sale; and caused the tax assessed on the real estate of resident owners, described herein, situated in the Town of Eden, for the year 1909, to be advertised according to law by posting notices as required by law at the following places, at the Post Office at Bar Harbor, the Post Office at Hulls Cove, the Post Office at Salisbury Cove, the Post Office at Eden, the Post Office at West Eden, at the Post at Indian Point, being public and conspicuous places in said town, at least six weeks before the day of sale, to wit, on the twenty fourth day of December 1909; I also, at least ten days before the day of sale, to wit, on the nineteenth day of January 1910, gave to each resident owner of said lands, or the occupant thereof, if any in hand, or left at his last and usual place of abode, and sent by mail to the last and usual address of each non-resident owner of said land, whose address was known to me, written notice of the time and place of said sale, and the amount of taxes due, in the manner provided by law.

And afterwards on the first Monday of February, 1910, at the Casino in Bar Harbor in said Eden, at nine o'clock in the forenoon, being the time and place of sale, I proceeded to sell according to the tenor of the advertisements the estates upon which the taxes so assessed remained unpaid to the persons and for the sums set forth in the schedules forming a part of this return, the same having been struck off to the said persons, they being the highest bidders therefor, and it being necessary to sell said amount

of real estate so taxed and advertised as afore said and no person offering to pay said taxes and charges for a smaller fractional part of said land at a public auction legally notified as hereinbefore set forth and held at the Casino in Bar Harbor, in said Eden, (being the place where the last preceding Annual Town Meeting was held) on the first Monday in February, A. D. 1910. at nine o'clock A.M. when and where I, the said Collector, exposed said property for sale and offered to sell such fractional parts thereof as were necessary to pay such taxes and charges and could not obtain bids for any smaller fractional parts thereof than those set forth in the said schedules; and I have made and executed deeds of the several parcels sold to the several persons entitled thereto, and placed them on file in the Town Treasurer's office, to be disposed of as the law requires; and lodged my certificate of said tax sales with the Town Treasurer within thirty days after the day of sale.

Petition for alt.

In accordance with the petition hereto prefixed signed by L. B. Deasy and others, inhabitants and owners of cultivated land in the Town of Eden, Hancock County, Maine, and as required by Statutes, we the undersigned Municipal Officers of the Town of Eden gave due and legal notice of our intention to alter the town way as described in said notice by causing the said notice to be posted for seven days at least in two public places in said Town of Eden and in the vicinity of said way, to wit: we caused said notice to be posted on October 24 A.D. 1910 at the office of the selectmen, Bar Harbor in said Town of Eden and at an Electric Light pole near the corner of West and Eden Streets, Bar Harbor in said Eden, both said places being public place in said Town of Eden and in the vicinity of said way.

Pursuant to said notice we met at the time and place appointed, to wit; on Monday the thirty-first day of October 1910 at 9 o'clock in the forenoon at the corner of Eden and West Streets, Bar Harbor in said Town of Eden and heard all parties interested and examined the location and route of the proposed alteration. Whereupon after such examination and hearing, we decided and determined to make such alteration, and we do hereby alter said town way known as West Street in that part of the same lying between Eden Street and land of George S. Bourdin as follows:

We establish as the northwestern line of said portion of said street a line described as follows: Beginning at a stone post set in the ground bearing south sixty-five degrees and ten minutes East and distant 76.8 feet from an iron bolt set in the ground in the Northeastern side of the county way known as Eden Street;

thence running North sixty-three degrees thirty-five Minutes East but everywhere following the Northwestern edge of the sidewalk as now constructed 106 feet more or less; thence in a Northeasterly direction but everywhere following the Northwestern face of the West Street retaining wall as now constructed on the Northwestern side of said West Street 131½ feet more or less to the Western line of said Land of George S. Bowdoin.

All parts of said West Street lying Northerly and Northwesterly of the line next here in above described to be discontinued.

We also further alter said way by widening the same upon the Southern and Southeastern side so that the Southern and Southeastern line from Eden Street to Land of George S. Bowdoin shall be as follows:

Beginning at a point in the Northwestern side of Eden Street 17.1 feet distant Southeasterly from the junction of said Eden Street and West Street as now established, said point of beginning being marked by an iron bolt set in the ground; thence North five degrees forty minutes East 8.25 feet to an iron bolt set in the ground; thence North eleven degrees fifty-five minutes East 7.29 feet to an iron bolt set in the ground; thence North fifteen degrees thirty-three minutes East 7.83 feet to an iron bolt set in the ground; thence North thirty-three degrees fifty minutes East 15.12 feet to an iron bolt set in the ground; thence North forty one degrees forty-seven minutes East 17.32 feet to an iron bolt set in the ground; thence North fifty-two degrees nine minutes East 24.85 feet to an iron bolt set in the ground; thence North fifty-five degrees fifty-seven minutes East 19.75 feet to an iron bolt set in the ground; thence North fifty-six degrees twenty-seven minutes East 31.50 feet to an iron bolt set in the ground; thence North fifty-seven degrees forty seven minutes East 22.42 feet to an iron bolt set in the ground;

thence North sixty-four degrees forty-four minutes East 24.37 feet to an iron bolt set in the ground; thence North sixty-nine degrees forty-three minutes East 30.5 feet to an iron bolt set in the ground; thence North seventy-five degrees nine minutes East 35.95 feet to an iron bolt set in the ground; thence North eighty degrees fifty-two minutes East 28.77 feet to an iron bolt set in the ground in the Southern side of said West Street as now established; thence North eighty-four degrees thirty minutes East 54.2 feet following the Southern line of said West Street as now established to a stone post set in the ground in the Western line of said Land of George S. Bowdoin.

Said alteration is according to a survey made by Edgar D. Lord C. E., and is shown upon a plan made by him to be filed in the office of the Town Clerk of the Town of Eden.

The Land taken by such alteration is Land of William H. L. Lee of New York or persons Unknown, and said way as altered abuts upon Land of said William H. L. Lee and George S. Bowdoin or persons unknown.

We decide and determine that no damages are caused to said William H. L. Lee or any other persons by or through such alteration and we therefore award no Land damages.

Having laid out the way as aforesaid we make this our written return of our proceedings containing the particulars and for the purposes provided by Chapter 23 of the Revised Statutes of the State of Maine.

Collector's Return To Town Clerk of Tax Sales.
State of Maine.

To W. H. Sherman, Clerk of the Town of Eden, in the County of Hancock and State of Maine.

Pursuant to law I caused the taxes assessed on the real estate of non residend owners described herein, situated in the Town of Eden, for the year 1910, to be advertised according to law by advertising in the Bar Harbor Record, a newspaper published in said County, three weeks successively, the first publication being on the twenty first day of December, 1910, and at least six weeks before the day of sale; and caused the taxes assessed on the real estate of resident owners, described herein, situated in the Town of Eden, for the year 1910, to be advertised according to law by posting notices as required by law at the following places, at the Post Office, at Bar Harbor, the Post Office at Hulls Cove, at the Post Office at Salisbury Cove, the Post Office at Eden, the Post Office at West Eden and the Post Office at Indian Point, being public and conspicuous places in said Town, at least six weeks before the day of sale, to wit, on the twenty-second day of December 1910; I also, at least ten days before the day of sale, to wit, on the nineteenth day of January 1911. gave to each resident owner of said lands, or the occupants thereof, if any, in hand, or left at his last and usual place of abode, and sent by mail, to the last and usual address of each non-resident owner of said land, whose address was known to me, written notice of the time and place of said sale, and the amount of taxes due, in the manner provided by law.

And afterwards on the first Monday of February, 1911, at the Casino, Bar Harbor, in said Eden, at nine o'clock in the forenoon, being the time and place of sale, I proceeded to sell according to the tenor of the advertisement the estates upon which the taxes so assessed

remained unpaid to the persons and for the sums set forth in the schedules forming a part of this return, the same having been struck off to the said persons, they being the highest bidders therefor, and it being necessary to sell said amount of real estate so taxed and advertised as aforesaid and no person offering to pay said taxes and interest and charges for a smaller fractional part of said land, at a public auction legally notified as hereinbefore set forth and held at the Town House, Casino in Bar Harbor in said Eden, (being the place where the last preceding Annual Town Meeting was held) on the first Monday in February, A. D. 1911. at nine o'clock A. M, when and where I, the said Collector, exposed said property for sale and offered to sell such fractional parts thereof as were necessary to pay such taxes and charges and could not obtain bids for any smaller fractional parts thereof than those set forth in the said schedules; and I have made and executed deeds of the several parcels sold to the several persons entitled thereto, and placed them on file in the Town Treasurer's Office, to be disposed of as the law requires; and lodged my certificate of said tax sales with the Town Treasurer within thirty days after the day of sale.

Collector's Return to Town Clerk of Tax Sales.
State of Maine

To W. H. Sherman, Clerk of the Town of Eden, in the County of Hancock, and State of Maine:

Pursuant to law I caused the taxes assessed on the real estate of non-resident owners described herein, situated in the Town of Eden, for the year 1911, to be advertised according to law by advertising in the Bar Harbor Record a newspaper published in said County, three weeks successively, the first publication being on the twentieth day of December 1911, and at least six weeks before the day of sale; and caused the taxes assessed on the real estate of resident owners, described herein, situated in the Town of Eden, for the year 1911, to be advertised according to law by posting notices as required by law at the following places, at the Post Office at Bar Harbor, the Post Office at Hulls Cove, at the Post Office at Salisbury Cove, the Post Office at Eden, at the Post Office at Indian Point, being public and conspicuous places in said Town, at least six weeks before the day of sale, to wit, on the twenty-second day of December 1911; I also, at least ten days before the day of sale, to wit, on the nineteenth (19th) day of January 1912 gave to each resident owner of said lands, or the occupant thereof, if any in hand, or left at his last and usual place of abode, and sent by mail to the last and usual address of each non-resident owner of said land, whose address was known to me, written notice of the time and place of said sale, and the amount of taxes due, in the manner provided by law.

And afterwards on the first Monday of February 1912, at the Casino at Bar Harbor in said Eden, at nine o'clock in the forenoon, being the time and place of sale, I proceeded to sell according to the tenor of the advertisement the estates upon which the taxes so assessed remained unpaid to the persons and for the sums set forth in the

schedule forming a part of this return, the same having been struck off to the said persons, they being the highest bidders therefor, and it being necessary to sell said amount of real estate so taxed and advertised as aforesaid and no person offering to pay said taxes and interest and charges for a smaller fractional part of said land, at a public auction legally notified as hereinbefore set forth and held at the Casino Bar Harbor in said Town of Eden, (being the place where the last preceding Annual Town Meeting was held) on the first Monday in February, A.D. 1911, at nine o'clock A.M., when and where I, the said Collector, exposed said property for sale and offered to sell such fractional parts thereof as were necessary to pay such taxes and charges and could not obtain bids for any smaller fractional parts thereof than those set forth in the said schedules; and I have made and executed deeds of the several parcels sold to the several persons entitled thereto, and placed them on file in the Town Treasurer's Office, to be disposed of as the law requires; and lodged my certificate of said tax sales with the Town Treasurer within thirty days after the day of sale.
