Collector's Return To Town Clerk of Tax Sales
State of Maine.

To W H. Sherman, Clerk of the Town of Eden in the County of Hancock and State of Maine:

Pursuant to law I caused the taxes assessed on the real estate of non-resident owners described herein, situated in the Town of Eden, for the year 1912, to be advertised according to law by advertising in the Bar Harbor Record, a newspaper published in said County, three weeks successively, the first publication being on the eighteenth day of December, 1912, and at least six weeks before the day of sale; and caused the taxes assessed on the real estate of resident owners, described herein, situated in the Town of Eden, for the year 1912, to be advertised according to law by posting notices as required by law at the following places, at the Post Office at Bar Harbor, the Post Office at Hulls Cove, at the Post Office at Salisbury Cove, the Post Office at Eden and the Post Office at Indian Point, being public and conspicuous places in said town, at least six weeks before the day of sale, to wit, on the twenty-first day of December 1912; I also, at least ten days before the day of sale, to wit, on the sixteenth day of January, 1913, gave to each resident owner of said lands, or the occupant thereof if any, in hand, or left at his last and usual place of abode, and sent by mail to the last and usual address of each non-resident owner of said land, whose address was known to me, written notice of the time and place of said sale, and the amount of taxes due, in the manner provided by law.

And afterwards, on the first Monday of February, 1913, at the Casino in Bar Harbor in said Eden, at nine o'clock in the forenoon, being the time and place of sale, I proceeded to sell according to the tenor of the advertisement the estates upon which the taxes so assessed remained unpaid to the persons and for the sums set forth in the schedule forming a part of this return, the same having been struck off to the said persons, they being the highest bidders therefor, and it being necessary to sell said amount of real estate so taxed and advertised as aforesaid and no person offering to pay said taxes and interest and charges for a smaller fractional part of said land, at a public auction legally notified, as hereinbefore set forth and held at the

Casino in Bar Harbor in said Eden (being the place where the last preceding Annual Town Meeting was held) on the first Monday in February, 1913, at nine o'clock A. M. when and where I, the said Collector, exposed said property for sale and offered to sell such fractional parts thereof as were necessary to pay such taxes and charges and could not obtain bids for any smaller fractional parts thereof than those set forth in the said schedules; and I have made and executed deeds of the several parcels sold to the several persons entitled thereto, and placed them on file in the Town Treasurer's office, to be disposed of as the law requires; and lodged my certificate of said tax sales with the Town Treasurer within thirty days after the day of sale.

March 25, 1914.

Attorney,
Attest: W. N. Sherman,
Town Clerk

Upon the Written application of which the above is a true copy, the undersigned, Municipal Officers of the Town of Edew, hereby give public notice that we will meet at Frank Spratt's mill near the premises described in said application on Thursday, the second day of April 1914, at two o'clock in the afternoon, and thence proceed to examine the premises described and to determine whether the proposed erection and extension will be an obstruction to navigation or an injury to the rights of others and to take such action as may be authorized by the Revised Statutes of Maine, Chapter 4, Section 96.

All persons interested will govern themselves accordingly.

Bar Harbor, Maine, March 28th, 1914.

Harry S. McFarland
John Cummings
Orient C. Brewer
Municipal Officers of Edew.

We, the Municipal Officers of the Town of Edew, Hancock County, Maine, upon the above application, gave public notice, as required by law, by posting true copies of the same and of the notice above set forth, three days at least before the time appointed for said meeting, one at the selectmen's office at Bar Harbor, in said town of Edew, and one at the mill of Frank Spratt, at said Bar Harbor, and we also published said application and notice three weeks successively before the time appointed for said meeting, in the Bar Harbor Record, a newspaper published at said Bar Harbor.

At the time and place appointed in said notice, to wit, at Frank Spratt's mill, near the premises described in the application, on Thursday, the second day of April, 1914, at two o'clock in the afternoon, we met, examined the premises described and heard the applicant and other persons who appeared before us, and thereupon, for the purpose of giving the parties opposed to the application a better opportunity to be heard, we adjourned said hearing to meet again at the Municipal Court Room, Bar Harbor, Maine, near the premises described in the petition, on the first day of August, 1914, at two o'clock in the afternoon and gave due notice of said adjournment.

At the time and place of such adjournment, to wit, on the first day of August, 1914, at two o'clock in the afternoon, we met and heard the parties. There were present: Frank Spratt, the applicant, and L. B. Deasy, his counsel, and Hon. H. M. Hall, Hon. E. N. Benson and Edward E. Mears, Esq., representing the Bar Harbor Swimming Club and E. E. Manger, representing the estate of Tobias Roberts.

After examination of the premises and hearing of the parties interested, together with their witnesses and counsel, we find that the

building and extension of a wharf within the location, limits, and boundaries hereinafter described, will not be an obstruction to navigation, nor an injury to the rights of others, and have determined to allow the same.

We therefore, as provided by Revised Statutes, do hereby grant and issue to Frank Spratt the applicant, a license authorizing him to build and extend a wharf in tide waters within the town of Eden, and to maintain the same within the following location, limits and boundaries, being a portion only of the premises described in the application, to wit:

Beginning at a bolt set in the ledge at or near high water mark and in line between land of the Rodick Realty Company and land of Frank Spratt, lying northerly of West Street Bar Harbor, Maine, said bolt being North seventy-two degrees ten minutes West and about one and one-tenth feet distant from another bolt set in the ledge and thence from said first mentioned bolt running North thirty-one degrees thirty-one minutes East two hundred and twenty-three and four-tenths feet, passing by the Northwest corner of the old dump wharf, so called, to an iron bolt driven in the flats; thence by a production of the last above mentioned line fifty-four feet; thence North eighty-two degrees thirty minutes West two hundred and fifty feet, to line of shore, or flats, owned by Nickerson, Spratt and Gruelen; thence South nine degrees ten minutes West, following line of land of said Nickerson, Spratt & Gruelen, ninety-eight feet to high water mark. thence following line of high water mark southeasterly to the place of beginning

As to so much of the area described in said application as lies outside the location, limits and boundaries described in this license the application is denied.
